Dear Mr. Mick,

On behalf of the Heart Rhythm Society, I would like to recognize and commend the humanitarian work of Heartbeat International. Your mission to provide lifesaving pacemakers and implantable cardiac defibrillators to needy patients around the world is inspiring. As the international leader in science, education and advocacy for cardiac arrhythmia professionals and patients, we support optimal health care for all.

Congratulations on your many successes and best wishes in your future endeavors.

Sincerely,

N. A. Mark Estes III, MD  
President, Heart Rhythm Society
